

WATER

WATER,WATER

A PRECIOUS THING

OUR LIVES KING

WE SHOUDNT WASTE IT

IN A HASTE

IT STREAMS DOWN OUR BLOOD

AND FLOWS IN THE FLOOD

AS IT IS LESS

DON'T MAKE THIS TOPIC A MESS

IT OUR NEED

BUT SOME PEOPLE USE THIS FOR THEIR GREED

ITS OUR SOLUTION OF THIRST

WE SHOULD SOLVE THIS PROBLEM FIRST

NOW ITS AVAILABLE IN BOTTLES

AND ALSO FOR DRINKING IN HOTELS

LOTS OF WATER IS WASTED IN POOL

AND I DON'T CONSIDER THIS AS COOL
